 2. Tentative Parcel Map is a subdivision of one parcel into three residential parcels.
 3. The tentative map for Tentative Parcel Map PR 05-0240 was originally approved by the Planning Commission on January 10, 2006. The map approval is set to expire on January 10, 2008. However, a request for a Time Extension was filed before the January 10, 2008 deadline, automatically extending the entitlement for the project for 60 days.

 5. At this time, the applicant is in the process of working through financial details for the project.

There have been no changes in the General Plan or Zoning Regulations since the original approval in 2006 that would impact the prior approvals of this project or the conditions that were imposed with it.
