

**PLANNING COMMISSION
MINUTES**

September 25, 2012

PLANNING COMMISSIONERS PRESENT: Barth, Garcia, Gregory, Holstine, Peterson

ABSENT: Treach, Vanderlip

PUBLIC COMMENTS REGARDING MATTERS NOT ON THE AGENDA: None

STAFF BRIEFING: None

AGENDA ITEMS PROPOSED TO BE TABLED OR RE-SCHEDULED: Item No. 1 is proposed to be opened and continued to the Planning Commission meeting of January 8, 2013.

PRESENTATIONS: None

Planning Commission approval of a development project is one step in the process of meeting applicable legal requirements. In addition to receiving Planning Commission approvals, all development plans must comply with applicable Zoning and Building Codes. Applicants are encouraged to consult with a design professional to confirm what provisions of the Uniform Building Codes and, in particular, requirements for handicapped access will apply to your project and the design and/or financial implications of meeting these legal requirements.

All items on the Planning Commission Agenda are scheduled for action unless explicitly otherwise stated. Planning Commission Action on General Plan Amendments, Rezones, Street and Public Easement Abandonments, Street Name Changes, Code Amendments and any legislative related action is a recommendation to the City Council; the Council will hold a separate public hearing prior to taking final action. All Other Planning Commission action is final unless an appeal application, including the required fee, is filed with the Community Development Department within 15 calendar days of the date of the action. Any member of the public or the City Council may file an appeal. Please see last page of agenda for how to file an appeal.

PUBLIC HEARINGS

This item is proposed to be opened and continued to the Planning Commission meeting of January 8, 2013.

1. **Planned Development 12-005, Rezone 12-003 and Specific Plan Amendment 12-003 – Buena Vista Apartments-Arjun**
E. Gallagher, Community Development Director

For the Planning Commission to consider an application filed by Don Benson on behalf of Arjun Buena Vista Properties, LLC, proposing the following applications:

- a. **Rezone 12-003:** to change the existing R1-B4 (Residential Single-Family, 1 acre lot) zoning designation to R3 (Residential Multifamily 12-units per acre). The rezone to R3 would bring the zoning designation into compliance with the existing General Plan Land Use designation (RMF-12);
- b. **Specific Plan Amendment 12-003:** to amend the Borkey Area Specific Plan (BASP) to accommodate the multi-family residential project, and establish updated Specific Plan fees;
- c. **Development Plan 12-005:** development plan to review the project site planning, architectural design and details, and landscaping.

Options:

- a. Continue the public hearing to the Planning Commission hearing on January 8, 2013.
- b. Amend, modify, or reject the above-listed action.

Opened Public Hearing.

Public Testimony: In favor: Thom Jess, Don Benson, Kathy Barnett
 Opposed: Greg Connell, Henry Elisarraraz, Peter Price, Tim Ressler, Chris Iversen, Darren Medders

Action: A motion was made by Commissioner Gregory, seconded by Commissioner Holstine, and passed 5-0-2 (Commissioners Treach and Vanderlip absent), to continue the public hearing to a date uncertain.

OTHER SCHEDULED MATTERS -- NONE

WRITTEN CORRESPONDENCE – NONE

COMMITTEE REPORTS

Commissioner Gregory left the hearing room.

2. Development Review Committee Minutes (for approval):
 - a. August 20, 2012
 - b. August 27, 2012
 - c. September 9, 2012

Dear Darren,

I appreciate you taking the time to talk to me regarding the proposed 141-unit apartment complex on Experimental Station Road in Paso Robles. Per our conversation, please forward the following letter to the appropriate recipients as I am unable to attend the meeting on Tuesday due to my recent surgery. Thank you in advance.

Dear Paso Robles Planning Commission,

My family and I are strongly opposed to the proposed 141-unit apartment complex on Experimental Station Road in Paso Robles.

We have first-hand experience with the negative impact on a neighborhood when “affordable rental housing” is added to a single family home neighborhood. In addition to the obvious traffic and parking problems, home values plummet, the schools go downhill (including negatively impacting school scores and overcrowding), and crime rates skyrocket.

We purchased our home in the River Oaks community for many reasons, including the ability for our children to attend the highly rated school (Kermit King Elementary), the low crime rate in our neighborhood, the layout and feel of the neighborhood (not crowded like in the city), as well as the pride in home ownership that our community so proudly boasts. My family and I feel safe while walking and riding bikes through our community.

The addition of 141-units could cause a traffic nightmare as there is only 1 main way in and out of our neighborhood (the other options are either very inconvenient, or unsafe in inclement weather). It would create a major overcrowding problem at Kermit King Elementary as it is already very crowded and there is potential to add hundreds of children with the addition of an apartment complex. Our children's education is not something we take lightly. As you are aware, home prices have plummeted due to the economic downturn, and having our home values drop further is not an option for many of us homeowners.

We understand the property in question was changed from “single family” to “multi-family” in 2003. We would welcome townhomes (and possibly condominiums) on Experimental Station Road as these are owned by the occupants where there will be pride in ownership as well as have less of a negative impact on the issues raised above such as overcrowding and loss of home values.

Thank you for your consideration. Please feel free to contact us if you would like to discuss the issues or have questions.

Sincerely,

Brooke and Daniel Blythe

Formal Protest Petition Against Proposed Zone Change

To the City of Paso Robles Planning Department:

Please consider this as a formal protest against the proposed zone change amendment from R1-B4 to R3 for:

708, 802, 812, 908, 1002 Experimental Station Road (APNs: 025-541-021, 025-391-006, 007, 80, & 81)

We, the property owner, taxpayers, and citizens of the city of El Paso de Robles who reside in the Borkey Area Specific Plan are firmly against the possible rezoning of the land mentioned above. We feel that we did not buy into this plan of increasing the density of the Borkey area by building higher density apartment complexes. We purchased properties here to distance ourselves from the density of the city. Also, we are not in favor of the negative impact the apartment complexes may bring to the area such as traffic, overcrowded street parking, and possible loss of home values.

Formal Protest Petition Against Proposed Zone Change

To the City of Paso Robles Planning Department:

Please consider this as a formal protest against the proposed zone change amendment from R1-B4 to R3 for:

708, 802, 812, 908, 1002 Experimental Station Road (APNs: 025-541-021, 025-391-006, 007, 80, & 81)

We, the property owner, taxpayers, and citizens of the city of El Paso de Robles who reside in the Borkey Area Specific Plan are firmly against the possible rezoning of the land mentioned above. We feel that we did not buy into this plan of increasing the density of the Borkey area by building higher density apartment complexes. We purchased properties here to distance ourselves from the density of the city. Also, we are not in favor of the negative impact the apartment complexes may bring to the area such as traffic, overcrowded street parking, and possible loss of home values.

I own the property at the following address(es):

738 Palo Alto Ct., Paso Robles, CA 93446
(Address/Addresses of Property/Properties Owned by Protest Petitioner)

I believe this qualifies me as a formal protest petitioner.

Below is my signature in protest against this zone change.

Formal Protest Petition Against Proposed Zone Change

To the City of Paso Robles Planning Department:

Please consider this as a formal protest against the proposed zone change amendment from R1-B4 to R3 for:

708, 802, 812, 908, 1002 Experimental Station Road (APNs: 025-541-021, 025-391-006, 007, 80, & 81)

We, the property owner, taxpayers, and citizens of the city of El Paso de Robles who reside in the Borkey Area Specific Plan are firmly against the possible rezoning of the land mentioned above. We feel that we did not buy into this plan of increasing the density of the Borkey area by building higher density apartment complexes. We purchased properties here to distance ourselves from the density of the city. Also, we are not in favor of the negative impact the apartment complexes may bring to the area such as traffic, overcrowded street parking, and possible loss of home values.

I own the property at the following address(es):

Formal Protest Petition Against Proposed Zone Change

To the City of Paso Robles Planning Department:

Please consider this as a formal protest against the proposed zone change amendment from R1-B4 to R3 for:

708, 802, 812, 908, 1002 Experimental Station Road (APNs: 025-541-021, 025-391-006, 007, 80, & 81)

We, the property owner, taxpayers, and citizens of the city of El Paso de Robles who reside in the Borkey Area Specific Plan are firmly against the possible rezoning of the land mentioned above. We feel that we did not buy into this plan of increasing the density of the Borkey area by building higher density apartment complexes. We purchased properties here to distance ourselves from the density of the city. Also, we are not in favor of the negative impact the apartment complexes may bring to the area such as traffic, overcrowded street parking, and possible loss of home values.

I own the property at the following address(es):

To the City of Paso Robles Planning Department:

Please consider this as a formal protest against the proposed zone change amendment from R1-B4 to R3 for:

708, 802, 812, 908, 1002 Experimental Station Road (APNs: 025-541-021, 025-391-006, 007, 80, & 81)

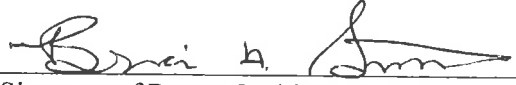

We, the property owner, taxpayers, and citizens of the city of El Paso de Robles who reside in the Borkey Area Specific Plan are firmly against the possible rezoning of the land mentioned above. We feel that we did not buy into this plan of increasing the density of the Borkey area by building higher density apartment complexes. We purchased properties here to distance ourselves from the density of the city. Also, we are not in favor of the negative impact the apartment complexes may bring to the area such as traffic, overcrowded street parking, and possible loss of home values.

I own the property at the following address(es):

703 Lenox Court Paso Robles Ca 93446

I believe this qualifies me as a formal protest petitioner.

Formal Protest Petition Against Proposed Zone Change

To the City of Paso Robles Planning Department:

Please consider this as a formal protest against the proposed zone change amendment from R1-B4 to R3 for:

708, 802, 812, 908, 1002 Experimental Station Road (APNs: 025-541-021, 025-391-006, 007, 80, & 81)

We, the property owner, taxpayers, and citizens of the city of El Paso de Robles who reside in the Borkey Area Specific Plan are firmly against the possible rezoning of the land mentioned above. We feel that we did not buy into this plan of increasing the density of the Borkey area by building higher density apartment complexes. We purchased properties here to distance ourselves from the density of the city. Also, we are not in favor of the negative impact the apartment complexes may bring to the area such as traffic, overcrowded street parking, and possible loss of home values.

I own the property at the following address(es):

2780 Stonebrook Circle Pt Cr
(Address/Addresses of Property/Properties Owned by Protest Petitioner)

I believe this qualifies me as a formal protest petitioner.

Below is my signature in protest against this zone change.

To the City of Paso Robles Planning Department:

Please consider this as a formal protest against the proposed zone change amendment from R1-B4 to R3 for:

708, 802, 812, 908, 1002 Experimental Station Road (APNs: 025-541-021, 025-391-006, 007, 80, & 81)

We, the property owner, taxpayers, and citizens of the city of El Paso de Robles who reside in the Borkey Area Specific Plan are firmly against the possible rezoning of the land mentioned above. We feel that we did not buy into this plan of increasing the density of the Borkey area by building higher density apartment complexes. We purchased properties here to distance ourselves from the density of the city. Also, we are not in favor of the negative impact the apartment complexes may bring to the area such as traffic, overcrowded street parking, and possible loss of home values.

I own the property at the following address(es):

 Jared Johnson

I believe this qualifies me as a formal protest petitioner.
