Dear Paso Robles Planning Commission,

We were notified of a proposal for construction for applicant Dan and Cindy Bergin, Parcel Number 009-022-019 on November 3, 2017. We are located at 1434 Chestnut Street, just down from this location. We are asking that any vehicles associated with this construction not park in front of our location as we operate a business that is open both weekdays as well as weekends. Ample parking space is imperative for our clients and staff, therefore, we are requesting these vehicles not park on or around our location during these hours.

Thank you.
