

City of Paso Robles Planning Commission Agenda Report

From: Susan DeCarli, City Planner

Subject: Rezone 18-004 – Amend Zoning Code, Section 21, Sign Ordinance, to change the definition of “Political” signs to “Temporary Non-Commercial” signs, and other minor text modifications.

Date: July 10, 2018

Facts

1. The City of El Paso de Robles regulates signs as specified in Chapter 21 (“Signs”) and exempts political signs from its permit requirements, while minimally regulating them.
2. The U.S. Supreme Court case of Reed v. Town of Gilbert clarified that special treatment of political signs may amount to improper content-based regulation.
3. The court in Reed also suggested various content neutral options available to address aesthetic and safety concerns relating to signs, such as size, building materials, lighting, moving parts, and portability, among other things.
4. Long-standing case law also recognizes that differing levels of protection may be afforded to noncommercial and commercial speech.
5. Signs significantly affect the aesthetic appeal of the City and its streetscapes, influence the quality of the visual environment, and shape perceptions of local economic conditions, as well as present safety, traffic, and circulation issues.
6. The City has a reputation as a community with native beauty, unique visitor attractions such as wineries, and distinctive architecture with a historic downtown, all of which makes tourism a staple of the City’s economy.
7. Therefore, it is appropriate to amend its existing sign rules to remove regulations specific to political signs, except as it pertains to electioneering prohibitions, which continues to be legal to regulate pursuant to federal and state law.
8. This ordinance provides for regulating all temporary signs in an even-handed manner that safeguards fundamental free speech rights, while also protecting the community’s aesthetic and safety objectives, enhances the City’s visual environment so as to foster commerce and tourism, minimize visual clutter, and serves the public health, welfare and safety and traffic safety and circulation concerns.
9. Signs that are not intended to be temporary require different rules in order to assure stability, safety, and resilience to the elements. These requirements are set forth in in Chapter 21.19.
10. This Zoning Code amendment to the Sign Ordinance is exempt from environmental review under the California Environmental Quality Act (CEQA), per CEQA Guidelines, Section 15061(b)(3), General Rule, since it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.

Agenda Item 2

Options

Option 1 Recommend to the City Council to adopt the attached Ordinance No. 18-XXX, in Attachment 1, to change the definition of “Political” signs to “Temporary Non-Commercial” signs, and other minor text modifications to integrate this change into this section of the Code.

Option 2. Continue and provide direction to staff for additional analysis.

Analysis and Conclusions

The proposed Zoning Code amendment to the Sign Ordinance would protect the City’s ability to regulate signs for the benefit of the community as a whole, and ensure protection of free speech as it relates to temporary signs for election-related purposes. The amendment would align the City’s regulations with current case law related to sign regulation.

CEQA Analysis

In accordance with CEQA Guidelines Section 15061(b)(3), General Rule, this Zoning Code amendment to the City’s Sign Ordinance is exempt from the California Environmental Quality Act (CEQA), since it would not in and of itself result in environmental impacts. Therefore, no environmental analysis is required for this action.

Fiscal Impact

This Zoning Code amendment would not directly impact the City’s fiscal resources.

Recommendation

Option 1 – That the Planning Commission make a recommendation to the City Council to approve the attached Draft Resolution A, in Attachment 1, approving Zoning Code Amendment (ZC 18-004) amending the City’s Sign Ordinance.
