WHEREAS, at the hearing on March 13, 2007, the applicant requested that the item be continued to the March 27, 2007 meeting, since there were only 6 Commissioners present; and

WHEREAS, the Commission did continue the meeting to the March 27, 2007 Planning Commission hearing; and

WHEREAS, based upon the facts and analysis presented in the staff report, public testimony received and subject to the conditions of approval listed below, the Planning Commission makes the following findings:

- a. that the site is not visible from Highway 101 where a highway oriented sign would be effective, it is not the intent that every business in this geographic area of the City have a highway oriented sign visible from Highway 101;
- b. that the highway oriented sign would create sign clutter at this gateway to the City;
- c. that the proposed building mounted signage and a monument sign (not to exceed 6-feet in height) would be sufficient signage for the site.

NOW, THEREFORE, BE IT RESOLVED, that the Planning Commission of the City of El Paso de Robles does hereby deny Conditional Use Permit 06-008.
